**Packing.** Net f. o. b. our shipping points. Packing charges are extra. We make no charge for packing car lot orders in bulk.

## NOTICE!

The prices upon many items of Nursery Stock are advancing. We anticipate that there will be many shortages before the Spring Planting Season is over. All prices in this list are subject to change without notice. All quotations are made for immediate acceptance and with the understanding that all orders placed by us with our shippers are placed subject to shipper having stock on hand at the time your order is received. We advise you to place all orders early.

### Prices are subject to change without notice.

Orders are accepted on condition that they shall be void should stock become injured by frost or other causes beyond our control. We cannot be responsible for loss caused by damage or delay in transit. If such damage occurs, it must be reported and entered immediately with your local agent of the transportation company.

**Claims** for error or shortage will be gladly corrected, but we must be notified within ten days after arrival of the stock. Such claims must be based upon an actual check of material at the time shipment arrives and not after it has been sold or lined out.

**Quantity Discount.** Five plants furnished at the 10 rate, 25 at the 100 rate and 250 at the 1,000 rate.

**Guarantee.** Prices do not include any guarantee of growth.

**Terms.** All accounts are due and payable 60 days from date of invoice. Cash, security, or satisfactory Trade references will be required from unknown parties. Interest at 6% will be charged upon all past due accounts. Cash discounts: 2% 10 days; 1% 30 days from date of invoice.

Where quantity ordered is of sufficient amount we can arrange for shipment by motor truck at reasonable rates. Our favorable locations make it advantageous for our customers to come with their trucks and take away their purchases.

## OUR SERVICE

We always use the greatest care in placing orders for material where we believe the customer's interests will be best served as regards transportation, etc. Sometimes we receive orders for material of which we are either sold out or do not list. In such cases we fill the order, if possible, from the nearest source of dependable stock. This service, we believe, means much to our customers, especially during the busy planting seasons.

**TRUEHEDGE COLUMNBERRY OR COLUMN BARBERRY**

(*Berberis thunbergi pluriflora erecta*)

United States Plant Patent No. 110

A fine upright new form of Barberry, pyramidal, with a very dense growth and heavy foliage evenly distributed from the ground up; berries similar in color and size to *Berberis thunbergi*. Can be grown like boxwood. Very desirable for compact hedges and a welcome addition to our list of Hedge Plants.

**POTTED ROSES****POTTED ROSES**

We offer Roses in a fine assortment of varieties for delivery after May 20. These will be in full leaf ready to bud, with well-developed root systems. Our list of these Potted Roses will be mailed to you later in the season. Our price for these Roses is:

\$6.00 per 10; \$50.00 per 100.

## HYBRID TEA ROSES

Since the greater part of our Hybrid Tea Roses are usually sold out by March 15, and since this catalog will be constantly referred to as a source of material all through the spring planting season, we feel that it would be unwise to print a list of the Hybrid Teas. We have a separate list of these Roses which we will gladly send you as long as the stock is available, or send us your order and we will try our best to fill it. Mention if we may substitute varieties in case we should be sold out of any variety on your order.

## GREEN MOUNTAIN EVERBEARING STRAWBERRY

A New Improved Everbearing Strawberry, Patent Received from United States Patent Office. Produces an enormous crop throughout the summer and fall. A dark red berry of excellent flavor, fruiting continuously. The flavor improves as the season advances. A quart basket picked on October 5th of field run size contained forty berries showing its large size. Plants fruit heavily in the fall between September 15th and October 15th, berries measuring 1½ to 1¾ inches long. A strong grower, healthy and immune from disease. The best Everbearing Strawberry for the home garden.

1,000 plants, \$16.50

5,000 plants, 75.00

## HYBRID BLUEBERRY PLANTS

In view of the increasing interest in cultivated Blueberries we are pleased to announce that we can supply this material from a reliable grower. If interested write us for circular and prices.
